How do we successfully bring men into local clubs and what keeps them coming back? Whether it be a sports club, a community association or a local volunteer group, attracting and retaining men as members, leaders and volunteers is a common challenge. Attendees include: Community Group Leaders, Volunteers and Organisers as well as Engaged Community Members.

From John Cahill Tuesday 13th October: Peter Kenyon OAM on “Rotary’s Role in the Community” (Online & In-Person Dinner Option) [Back](#)

Could our Rotary clubs be doing more in our communities—and attracting energetic new members along the way?

Next **Tuesday, 13 October**, we have a great opportunity to hear from **Peter Kenyon OAM**, founder of the Bank of I.D.E.A.S. Peter has worked with over 2,000 communities across Australia and globally, specializing in helping people uncover local strengths and turn ideas into high-impact community action.

Peter will challenge us to look afresh at what Rotary can achieve, explore new community partnerships, and show how our clubs can become genuine driving forces locally. Expect practical, proven ideas you can take straight back to your club.

Peter is being hosted by the **Rotary Club of Southern Districts**, led by President **Ric McDonald**. While the presentation is broadcast online so everyone across the RCG can easily join, there is also an option to attend in person and share a meal.

From Kim Larsen RC Bali Tamin Birthday Celebration

On the 19th September John McMaugh and myself attended the Rotary Club of Bali Taman's 35th birthday celebration in Denpasar representing our club. Kevin Saunders also came down from his home in Ubud to enjoy the celebration. The Bali Taman club put on a fabulous show and very much appreciated our attendance to celebrate our achievements together over the past almost 20 years.

There were over 100 attendees and a Rotary Club from Japan who partners them in projects also showed up. There were a lot of speeches (certainly more than we do) and many cultural floorshows, a bit of Karaoke, singers and a band. The Japanese member got up and did a great rendition of Let It Be so not to be outdone I presented as a stockman and gave them a whip cracking exhibition.

We were supposed to visit a new possible water project on the Friday but unfortunately on further investigation it was found that this involved replacing existing piping which is not what we do and RI does not approve Global Grants for this purpose. They are still sourcing a worthwhile project-it will happen but things take time in Indonesia.

Bush BBQ at Kim and Anna's Sept 2026

It was perfect weather with predicted rain not falling. About 24 members, partners and friends ate, drank, talked and then walked through the bush seeing many wildflowers. Many thanks to Kim and Anna for a wonderful day.
